

One Day Workshop on OUTCOME BASED EDUCATION

Held on 21-05-2018

A workshop on, "Outcome Based Education (OBE)" was organized at Matrusri Engineering College, sponsored by Matrusri Education Society on 21st MAY., 2018.

Dr. Vara Prasad, Professor in CSE, BMS Engineering College, Karnakata graced the workshop with his inspiring presence and gave souvenirs on this occasion. Commended distinguished speakers/trainers for setting the stage for fresh ideas, insights and initiatives in Outcome-based Learning and requested participants to introduce them academically and professionally to add further value to the workshop.

In the first session of the workshop, delved priorities of the OBE as Introduction to OBE System, Development of PEO (Program Educational Objectives), Mapping of POs and COs and revised Bloom's Taxonomy. Top priority was attached to such aspects of learning outcomes as to comprehend, align and apply learning outcomes using the correct format. While focusing on the outcomes of motivation in outcome-based education, Dr. Vara Prasad emphasized on such education to be student-centric rather than teacher-centric. Dr.Hanumantha Rao, Principal thanked the speaker for his valuable speech and training on OBE.
